Would you like to fulfill a lifelong ambition and raise loads of money for a worthwhile cause at the same time? Here at Children Change Colombia we are really keen for you to enjoy yourself while raising money for kids in Colombia. Take a look at this amazing selection of adventurous ways to help these children and raise much needed funds.

At Home

Sky Diving

Imagine the exhilarating feeling as you lean out of an aircraft's doorway at 10,000ft and let go, falling forward into the clouds and diving through the air at over 120 mph!

By raising sponsorship of just £395 you could have this unforgettable experience for free, while also providing vital funds for our work. Children Change Colombia is offering supporters a range of options, from Tandem Skydives for those who are new to parachute jumping to Accelerated Freefall for those who are more experienced. Supporters will be able to choose from over 20 BPA registered parachute centres around the UK.

Summer is the best time to parachute- even with British weather! So why not give us a call and book your parachute adventure of a lifetime!

White Water Rafting

If water sports are more your thing, why not get a group of friends together and race the rapids for Children Change Colombia? Over the summer we will be organising trips down White Water Rafting courses across the UK. Once again this requires no previous experience and all participants will be given training. Contact us if you're interested and we'll provide you with as many sponsorship forms as you like!

The Three Peaks Challenge

Why not get your walking boots out of the closet and organise friends to do the Three Peaks Challenge? The challenge is to climb the three highest peaks in Britain (Ben Nevis in Scotland, Scafell Pike in Cumbria and Mount Snowdon in Wales) in just 24 hours! The time includes travel between the three mountains. Embarking on this challenge requires commitment, planning and above all stamina- both physical and mental- but it is quite an achievement when completed! If you are interested, contact Children Change Colombia for guidance on where to look for information.

Or Away!

Cycle Cuba

What better way of raising money than by cycling across the beautiful countryside of Cuba? This ten-day expedition starts in Cuba's vibrant capital Havana, and then travels cross-country, through villages set among colourful fruit orchards, sugar plantations and tree-lined avenues.

The trek finishes in the historic town of Trinidad, with its cobbled streets and colonial homes.

Explore The Inca Trail

Why not rise to the ultimate challenge of trekking to the mysterious "Lost City of the Incas", Machu Picchu? The Inca Trail is rated by many to be in the top 5 treks in the world. In just 26 miles (45km) it manages to combine beautiful mountain scenery, lush cloud-forest, subtropical jungle and, of course, a stunning mix of Inca paving stones, ruins and tunnels. What an amazing opportunity to visit a fascinating place, meet new people, and most importantly, raise money for Children Change Colombia!
