

10 summer fundraising ideas

1. Hold a coffee morning

Colombia's smooth coffee is known throughout the world for its high quality, so what better way to fundraise for Children Change Colombia than to hold a Colombian Coffee Morning with your nearest and dearest? Or if you're at work invite your colleagues to take a purposeful coffee break.

2. Do a challenge

Summer is a great time to do outdoor challenges – as well as raising funds for Children Change Colombia, challenges are a great way of getting fit and having fun with friends. You could do a walk, run, swim, parachute jump, white water rafting... just let us know if you would like more ideas.

3. Hold a car boot sale

Embark on that long overdue spring clean and raise money for a good cause at the same time.

4. BBQ

Enjoy the summer weather while it lasts and have a BBQ! You could even throw in some Colombian dishes and, once everyone has had a few drinks, get everyone dancing salsa!! Ask your guests to [make a donation](#).

5. Organise a sports tournament

If you have a sport you love, why not organise a tournament – tennis, football or even an afternoon of rounders in the park!

6. Have a party!

The possibilities are endless... Wimbledon party (invite friends round to watch the tennis,) salsa party, karaoke party, dinner party, music recital (if you play an instrument/sing.) For all these ideas you can raise funds by charging an entry fee and even doing a raffle.

7. Grow a plant

Grow a plant and ask your friends, family and colleagues to make a donation to guess how tall it will grow.

8. Fete, fair or festival

Why not get together with friends and organise a celebration of all things Colombian or Latin American - with food, drinks, crafts, jewellery (we can help provide this) and music.

9. Hold a quiz night

Organising a quiz night – in your local pub, community centre or at home - is a great way of raising money for Children Change Colombia. It is sociable, fun and everyone always learns something new! Let us know if you would like an information pack on how to organise one.

10. Hold a film night

Why not invite your friends and family round, bake some goodies and kick off the night by showing one of our short films! By charging an entry fee, you could raise funds and help raise awareness of Children Change Colombia's work. You can find our short films on our Youtube channel: <http://www.youtube.com/user/ChildrenAndes>
